

Pro/ENGINEER[®] Training (1 day)

Behavioural Modelling[®] (BMX)

'In'-Tuition – In-house, Intensive training for Individuals
We come to you to deliver these courses.

You use your own software, we supply the trainer.

Standard Course :- £750 for 1 person, £975 for 2 people, £1100 for 3 people.

Contact us for a quote if you have more people or for a customised course.

Content as of 28th Jan 2010

In this course you learn about Behavioural Modelling Extension (BMX) in Pro/ENGINEER. You find out how to set up and conduct a BMX analysis in Pro/ENGINEER. Please note that for this course you will need the Pro/ENGINEER Behavioural Modelling Extension (BMX) licence, which is available in the Flex3C licence or as a separate module, but is not part of the Foundation licence. Note – To find out about mechanisms, please see our Mechanisms courses. To find out more about stress analysis, please see our MECHANICA[®] courses.

- Introduction
- Types of Analysis Features
- Measures
- Field Points
